

Letter of Recommendation

Date: August 8th, 2025

To Whom It May Concern,

I am pleased to recommend Ameen Khojah for any opportunity that allows him to further his professional development. Ameen has worked with us as an intern, where he has consistently demonstrated an impressive blend of intelligence, professionalism, and initiative. His work has been invaluable, and his contributions have far exceeded the scope of his assigned responsibilities.

From the very beginning, Ameen has shown an eagerness to learn and contribute. He consistently seeks out tasks, approaching them with dedication and attention to detail. Not only does he complete his assignments with a high degree of professionalism, but he also proactively goes above and beyond, taking on additional responsibilities to support our team's goals.

One of Ameen's most valuable traits is his ability to adapt to new situations without hesitation. Whether faced with new challenges or complex projects, he readily steps up, embracing every opportunity to learn and grow. Moreover, his presentations are clear, engaging, and well-structured, which makes him an asset in any team environment.

I am confident that Ameen will bring the same energy, professionalism, and teamwork to any role he pursues. I highly recommend him for any opportunities that will allow him to apply and further develop his considerable talents.

Sincerely,

Rawan Albakri
